

Supplier Onboarding Process

Defines the steps, ownership, and checks required to onboard a new supplier.

Document Owner	Vendor Management	Version	2.2
Review Cycle	Annual	Sensitivity	Internal
Authoritative Source	Yes	Status	Approved

Roles & Responsibilities

The Vendor Management team owns the supplier onboarding process end to end and is accountable for ensuring every supplier is fully onboarded before any purchase order is issued.

Role	Responsibility	Accountable For
Vendor Management	Owns onboarding workflow	Overall completion
Requesting Department	Provides business need & sponsor	Supplier justification
Finance Operations	Validates banking & tax details	Payment setup
Legal	Reviews non-standard terms	Contractual risk

Onboarding Steps

- Step 1 — Supplier request raised by the sponsoring department.
- Step 2 — Due diligence and risk screening completed by Vendor Management.
- Step 3 — Banking, tax, and compliance details validated by Finance.
- Step 4 — NDA and master terms executed where required.
- Step 5 — Supplier record created and activated in the system of record.

Required Checks

No supplier may be activated until sanctions screening, tax validation, and (where applicable) data-protection assessment have been completed and recorded by Vendor Management.
